2015 ANNUAL REPORT

2015 SPOTLIGHT

Welcome to Development Centers latest Annual Report – a snapshot of an exciting and challenging year. Through a wide variety of program options, we reached over 10,000 local children, adults and families. Despite our long history, we continue to be amazed at the resiliency of those we serve. We are proud to continue serving the local community. It’s a privilege to be welcomed into their lives, homes and schools.

Dr. Robert Shaw, CEO

Partnerships remain central to ensuring that families have access to multiple services to meet their needs. We are grateful for our colleagues who work with us, as well as the multitude of donors and volunteers that support our work. It is truly the efforts of a collective group of people that allow us to meet the needs of those that come through our doors.

We look forward to continuing our work, fulfilling our mission and reaching out to those in need in the years to come. 2016 looks to be a year full of opportunities and we are thankful to be in a position to expand our services.
